## Click 'create account'

The screenshot displays the Binary.com website interface. At the top, the navigation bar includes the Binary.com logo, a user profile icon, and links for 'Why Us?', 'Get Started', 'Tour', and 'Platforms'. Below this, a secondary navigation bar features 'Trade', 'Portfolio', 'Profit Table', 'Statement', 'Cashier', 'Resources', and 'Shop'. The main content area is divided into two sections. On the left, the 'Forex' section shows the AUD/JPY pair at 88.311, with tabs for 'Up/Down', 'Touch/No Touch', and 'In/Out'. The 'Up/Down' tab is active, showing 'Rise/Fall' and 'Higher/Lower' options. The 'Start time' is set to 'Now', the 'Duration' is 1 minute, and the 'Payout' is \$10. On the right, the 'Higher' and 'Lower' trading options are displayed, each with a 'Purchase' button. The 'Higher' option has a stake of \$5.46 and a net profit of \$4.54 (83.2% return). The 'Lower' option has a stake of \$5.24 and a payout of \$10.00 (90.8% return). A user menu is open on the right side, showing the user's USD Account (CR375620, \$9.96) and Virtual Account (VRTC1288193). The menu includes links for 'Profile', 'Security & Limits', 'Create Account' (highlighted with an orange box), and 'Sign out'. At the bottom, there is a 'Chart' section with a '1 TICK' indicator and a 'Line' chart type, and an 'Explanation' section for the AUD/JPY pair.
