

# FREQUENTLY ASKED QUESTIONS ABOUT FIXED ODDS TRADING WITH BETONMARKETS.COM

---

## 1. *What is fixed odds trading?*

Using the BetOnMarkets trading platform, you can make a prediction on a financial market of your choice. If the prediction comes true, you will profit by a predetermined amount. Before committing yourself to a trade, you will know the entire possible downside as well as the exact possible profit. With most bets, you will also be able to sell your bet before the expiration date to maximize your profit or minimize your losses. This means that your risk level is clearly defined at all times. The maximum you can lose on any bet is the purchase price that you would have paid for the bet.

## 2. *Who can place fixed odds trades?*

Anyone can! Fixed odds trading is especially ideal for those who want to experience the benefits of financial trading, without having to deal with the complications that come with full-time trading. Whether you're a beginner or an advanced trader, BetOnMarkets has a bet that suits your level of expertise.

## 3. *How much do I need to start trading?*

You can start trading immediately and fund your account with as little as \$10 - that's less than N1,600.00 (one thousand six hundred naira). Trades may also be purchased with as little as \$1 (less than one hundred and sixty naira).

## 4. *How do I deposit funds into my BetOnMarkets account from Nigeria?*

It's easy for clients to fund their BetOnMarkets accounts wherever they are in Nigeria. Simply choose the most convenient from the following payment options:

- **Visa/Mastercard:** this you can get from a number of Nigerian banks.
- **Bank wire:** you may transfer funds from your domiciliary account to fund your BetOnMarkets account.
- **Payment agent:** sometimes, clients wish to fund their accounts using Naira or other e-cash methods not offered by default on BetOnMarkets. Such clients may do so through any of the local BetOnMarkets Payment Agents here in Nigeria. Any of nine authorized BetOnMarkets Payment Agents can help clients process their deposits and withdrawals from Nigeria. A full list of payment agents and their contact details is available in the Cashier section of your BetOnMarkets account.

Clients can also withdraw their earnings using any of the payment methods above, or via Western Union.

## ***5. What are the benefits of fixed odds trading with BetOnMarkets.com?***

- **Simple to Understand:** Fixed Odds trades are easy to place and understand. With low minimum account opening values and the ability to start placing trades from just \$10.
- **Limited Risks:** your risk (potential loss) is limited to your stake. You know both your potential profit and your liability prior to placing your trade!
- **Trade a Range Of Markets from One Account:** Fixed Odds offer convenience with the ability to trade an ever increasing number of markets from just one account. At present you can trade Stock Indices, Currencies, Oil, Gold and increasingly individual shares and commodities.
